

## VIA POSTUMIA(ENGLISH VERSION)

## FOREWORD

The sections as reported in the following pages are by no means recommended stages . Every walker should establish his own pace and decide where to stop. We strongly recommend booking at least a week in advance ,especially on pilgrim type accomodations.

List of accomodations can be downloaded in PDF format on 'Lista degli alloggi'

Please remember to download the credential either from site '[www.viapostumia.eu](http://www.viapostumia.eu)' or from FB page 'amici della via postumia'

All contents in this brochure are subject to continuous update and we would welcome your feedback and updates by mail to '[andreaavitiello@libero.it](mailto:andreaavitiello@libero.it)'

---

## FROM CERVIGNANO RAILROAD STATION TO AQUILEIA

Coming out of r/r station turn right in Viale Stazione ,continue straight on Via Roma all the way to traffic light on Piazza Unita d'Italia. From here on the right you can look at the river and small harbour ,but we continue on the left onto Via Aquileia on the cycle path. After the roundabout it will become Via Giulia Augusta continue till the steel bridge of Terzo d'Aquileia. After the bridge we turn right on cycle path till the Aquileia Basilica , going straight after the Roman Forum on the unpaved road Via sacra.

## AQUILEIA-AIELLO DEL FRIULI (20 KM )

First yellow arrow in front of the Domus Augusta Hostel,keep right on Via Roma till traffic light. Cross the street the turn left toward the Basilica (yellow arrow on stone on the ground on the

left).Follow yellow arrow to the entrance of the river-harbour ,open after 8.30 am. Cross the street and continue on via Salvemini ,then turn right to Piazza Pirano (museum) then turn left taking the path next to the vineyard,keeping on the right of it until you get on the river bank.

Follow it until the little bridge where we'll turn left on paved road till the fork ,where the yellow arrow will direct us to the right on unpaved path,that we'll follow untill a little house where we turn left and proceed to Terzo d'Aquileia (5 km ) on Via Stazione .

Keep straight at traffic light crossing the river till the Town Hall on Via 2 Giugno.

Past the San Biagio church cross the street ten proceed on Piazza Europa and Via Curiel.

Continue on the right ( bar and food shops ) to Via Kennedy,then turn left ,up to the stop sign where we turn right on Via della Fontana till the guard rail (trees on the left ) where we'll continue on the unpaved path up to a fork where we'll turn right .

Keep straight till after the scout camp,where the path bends to the left passing the bridge .

Continue on Via Predicort then turn left on Via Volta till the stop sign where we turn left on Via Capola. At first crossing turn right on via della Badia and then left on Via Mercato and then second right on Via Gorgo.

When we reach the river bank turn right up to bridge (km 6 ), we are in Cervignano del Friuli.

After the bridge turn left on Via XXIV Maggio direction Via Martiri della Liberta' and the right on Via Sarcinelli.

Turn right on Via demanio then left on Via Molinaris up to the underpass, continue on via Galilei and right on Via Malignani ,where we take the cycle way up to Via Julia Augusta in Strassoldo ,then turn right to the Castle . Here enter Via dei Castelli and continue to the mill on SP108 (Via Gradisca). Turn on the main road ( Caution ! ). At the post ' Localita' Novacco ' turn right on the path and keep straight at the fork. At the end we have a left turn on Via Antonini ,then Via Petrarca and left on Via cavour then straight on to the Aiello church ,where we can have overnight accomodation.

**Aquileia :** Often referred to as the ' second Rome' ,was founded in 181 a.c. And become rapidly avery important town due to its strategic position. Basilica ,Roman Forum,river Harbour,museums.

**Strassoldo :** Beautifull medieval village with a spectacular castle .

**Aiello del Friuli :** Interesting Novacco hamlet with the antique water mill dating back to the 15th century , is now know as the village of Sundials.

## AIELLO DEL FRIULI – PORPETTO (KM 21 )

From Via Genova Cavalleria , with the sundial in front of us, go straight in Via Nievo then on an unpaved path on the side of fields then left toward the cemetery. The straight thru the field to via Garibaldi. Go to the church and then right on Via Leonardo da Vinci ,right again on second crossroad onto a nice path ,keep left on two forks ,till road SP65 , turn right and continue parallel to motorway till you arrive in Privano, then take a road leading to an overpass where you'll continue straight on gravel .

Turn left on gravel to via Matteotti ,outside the city walls of Palmanova ,turn right then first left of outside wall then left on path of internal walls and keep straight to the entrance door.

We enter Palmanova from Borgo Cividale ,cross the main square , then exit from Borgo Udine.

We now take first path on the left till the entrance of the WW1 cemetery. Here turn right the left keeping cemetery wall on your left up to Via Palmada where we turn right. After the bridge it becomes Via Palmanova and we turn right on gravel path. After a section parallel to motorway keep on path on your left ( yellow arrows on back of road signs ) up to Via Udine then straight on to San Giorgio church.Turn right on Via Vaat ,then on Via Madonna della Salute .

After little bridge turn left and continue till the unpaved ,turn first on your left then continue until the path next to the motorway ,continue with pond on your left up to Via Marinelli , then turn left on Via Castello and then to the right in Via Verdi . (In case of road works ,it's possible to turn before the poplars on the left then turn right to enter the village).

Pamanova : City fortress going back to 1593 ,it's called the star city due to its nine-points star layout. Beautiful Duomo.

## LA SERETA \_ PONTEDECIMO ( KM 22 )

After Agriturismo , take path going uphill and always straight for about 3 kms till main road . On right church and hamlet of Fraconalto.

We turn left and , after few hundred metres , take first path on the right , at first fork turn left till a large flat unpaved road ,turn right and ,at next fork we take to the left and continue to the top where we find signs of Alta Via dei Monti Liguri and continue straight on.

We are at Passo dell Bocchetta ,at fork take to right downhill to main road SP5 ,turn left and continue to village of Pietralavezzara ( km 10 ).

Past church on left and hut on right , we turn right before number 45 (steps along path) . Continue downhill toward Isoverde , after group of abandoned houses at fork take uphill right then left aiming at bell tower . From church continue on Via Ennio del Monte then left ,pass the pharmacy and continue on road SP6 for about 1 km.

Past the hairpin , turn right after aedicule onto bridge on Via Alla Caffarella ( accomodation at number 20 ( km 5 ) . Then left downhill on Via Montagnola till main road SP4 .

Turn left then first on right toward Gaiazza . Continue on Via Gaiazza (SP 51) for about 1 km .

At a cross turn left on Via Nostra Signora dall' Orto and , at next fork , take to left ( NOT toward the church and Agriturism ) . Continue on this road toward Campo di Tiro for about 3 kms.

At the river Polcevera turn right then left on the bridge . Right at first fork ,then right again in front of pharmacy.

We are in Pontedecimo .Turn right and continue on Via Beata Chiara on the right to get to San Giacomo Maggiore church ( km 7 ).

What to see

Pontedecimo San Giacomo church remembers flow of pilgrims to Santiago de Compostela

## PONTEDECIMO – GENOVA (KM 18 )

From the S. Giacomo church take Via Guido Poli then Via Lungo Polcevera for about 2 kms.

After bridge on your right straight on to underpass then Via San Quirico passing over the bridge , take stairways on the right then , on Via Bruzzo , continue straight along the embankment.

At bridge Luigi Ratto continue a few hundred metres and turn left. Take stairways in front and the rail overpass ,straight on then right on Via Pasquale Pastorino .

At fork with Via Bolzaneto follow signs to Nostra Signora Della Neve , then left into small alley ( toward Supermarket ) ( Km 5 ).

Continue straight , toward motorway overpass , continue with houses on your right till underpass on Via Salita Brasile . Left onto the underpass ,then Via Geminiano .

Turn right on bridge then ,at the fork , left till number 16 then take stairways on left back to main road . Continue straight then at second hairpin aim toward church of San Geminiano .

There take path on right and continue till Via San Lorenzo di Casanova after about 1,5 km .

There turn right and after road on right take small path on left (km 3 ) leading us to the Forts.

About 7 kms to Forte Puin then Forte Sperone and Forte Begato.

Path goes downhill to church of Santa Maria di Granarolo . The descent to Genova continues thru Salita Granarolo , Salita San Rocco then stairways to Principe. Here we can go east to visit the center of old town or rather west to Via della Costa going along the coast to France .

But don't forget to proceed to KM 0 marking , starting point of ancient roman Via Postumia , in Piazza San Giorgio ( Km 10 )

What to see

Genova San Lorenzo Cathedral , Basilica della Santissima , Cimitero Monumentale di Staglieno , la Lanterna ( light tower ) , the center of the old town to Piazza San Giorgio.
